PROFILE

Passionate and dedicated Frontend Developer with strong skills in **HTML, CSS, and JavaScript**, and currently learning **React.js**. Skilled at building responsive and interactive websites that deliver a smooth user experience. Excited to keep learning modern web development technologies and grow into a **Full-Stack Developer**.

PROFESSIONAL EXPERIENCE

Intern at Bridgeon

I am currently learning full stack development. where i'm gaining hands-on experience in building responsive web applications. Worked on projects including a **personal portfolio, W3 Navbar, and EasyTrip website** using **HTML, CSS, and JavaScript**. Currently learning **React.js** to enhance skills in component-based architecture and state management. Experienced in **UI development, debugging, and deploying projects**, with a goal to grow into a **Full-Stack Developer**.

SKILLS

HTML

The standard language used to create the structure and content of web pages.

css

Used to style and layout web pages, including colors, fonts, and responsive designs.

javascript

A programming language that makes web pages interactive and dynamic, enabling features like forms, animations, and API integration.

PROJECTS

w3 Navbar

Built a responsive navigation bar using **HTML and CSS**, demonstrating layout design, hover effects, and dropdown menus.

EasyTrip Website

Developed a travel-themed website with responsive layouts and interactive sections using **HTML, CSS, and JS**.

Personal Portfolio

Created a personal portfolio to showcase projects and skills, using **HTML, CSS, and JavaScript**.
