WORK EXPERIENCE

React Developer Intern - Bridgeon Solutions, Calicut

Aug 2025 - Present

- Developed and deployed a full-featured e-commerce web application using React, and REST APIs, enhancing UI responsiveness and user experience.
- Collaborated with a team to integrate secure payment gateways and implement efficient state management for cart and order handling.
- Improved front-end performance and component reusability through code optimization and modular design

PROJECTS

Glanzio E-commerce Platform - React

- Cart, Wishlist & Order handling with full CRUD operations and persistent data.
- Admin dashboard for managing products, users, and orders with real-time updates.
- Built reusable UI components for efficiency and clean, modular code maintenance.
- API-based data synchronization with a fully responsive layout across devices.
